			A mobile home was demolished.					
Hardin County								
.8 W Cecilia to 1.5 SE Long View	02	1443EST 1458EST	8.4	150	0	0	2M	Tornado (F2)
The tornado touched down near Cecilia, blowing the roof off a barn, but only producing shingle damage on nearby residences. It did more damage when it reached St. John Road, where it destroyed a home and some farm buildings. As the tornado continued to the northeast, it produced major roof damage to homes along Rineyville Road. Next, an office building that was under construction was lifted off its foundation. A convenience store was destroyed along U.S. 31W. A few more homes received minor damage before the tornado lifted near Longview.								
Larue County								
.6 WSW Talley to 1.4 ESE Tanner	02	1450EST 1505EST	6.4	175	0	0	500K	Tornado (F1)
The tornado touched down near Talley in southwest Larue County, and was intermittently on the ground until lifting just east of Tanner. Near Talley, the tornado lifted the roof off a home. A home on Upton-Talley Road had the front porch and much of the roof removed. The tornado also did moderate damage to barns and destroyed several outbuildings, and moved a 2700 pound motorboat a distance of 220 feet. In the Oak Hill area, two barns and some outbuildings were destroyed. Another barn and a home were damaged.								
Jefferson County								
1.4 WSW St Dennis to .8 NNW St Dennis	02	1522EST 1527EST	1.5	34	0	0	250K	Tornado (F1)
A tornado touched down at 322 PM near the corner of Bramers and Campground Road in western Jefferson County. Many homes along the damage path had roof damage. A large, well constructed barn was destroyed. Numerous trees and power lines were downed; one tree was blown on to a house. The local Moose Lodge building had significant damage. The tornado lifted around 327 PM near the intersection of Campground Road and Ralph Avenue.								
Adair County								
1.3 ESE Columbia to 1.8 E Columbia	02	1522EST 1524EST	0.6	200	0	0	150K	Tornado (F2)
Adair County								
.2 SE Pellyton to .5 NE Pellyton	02	1557EST 1559EST	0.5	100	0	0	75K	Tornado (F1)
The first tornado touched down near Columbia. It destroyed a mobile home and removed the roof from a house. Other homes and mobile homes were damaged. The tornado lifted and the parent cell travelled into northeast Adair County. The second tornado touched down in the Pellyton area, about 13 miles to the northeast of the first touchdown. Several homes and barns in the area were damaged before the tornado lifted again.

Storm Data and Unusual Weather Phenomena

January 2006

Location	Date	Time Local/ Standard	Path Length (Miles)	Path Width (Yards)	Killed	Number of Persons Injured	Estimated Damage Property	Crops	Character of Storm
----------	------	----------------------------	---------------------------	--------------------------	--------	---------------------------------	---------------------------------	-------	--------------------

KENTUCKY, Central

Lincoln County

3 S Mc Kinney to .8 S Maywood	02	1634EST 1648EST	8.7	200	0	2	350K		Tornado (F2)
----------------------------------	----	--------------------	-----	-----	---	---	------	--	--------------

Two people were injured as an F2 tornado swept through western and central Lincoln County. A man received minor injuries when a barn he was in collapsed around him. An elderly woman was hospitalized with a broken collar bone and nose. She had been sucked out of her mobile home by strong winds when she tried to open her front door. In all, eight mobile homes were destroyed, with most of the damage being concentrated south of the McKinney area. At one location, the storm survey team found that the tornado had embedded two by six boards firmly into the ground.

Madison County

Richmond	22 23	2250EST 0300EST			0	0			Flash Flood
----------	----------	--------------------	--	--	---	---	--	--	-------------

A few roads were flooded and impassable in the Richmond area. Parts of Catalpa Loop Road were closed due to high water.

Casey County

Countywide	22 23	2324EST 0300EST			0	0			Flash Flood
------------	----------	--------------------	--	--	---	---	--	--	-------------

Several creeks and streams were out of their banks across the county. Water was over several roads in the county, including Highway 70.

Garrard County

Countywide	23	0005EST 0300EST			0	0			Flash Flood
------------	----	--------------------	--	--	---	---	--	--	-------------

Several county roads were blocked by high water. Paint Lick Creek was out of its banks, along with several other creeks across the county.

Barren County

Countywide	23	0031EST 0230EST			0	0			Flash Flood
------------	----	--------------------	--	--	---	---	--	--	-------------

Numerous roads were flooded and several creeks were out of their banks.

Cumberland County

Countywide	23	0035EST 0230EST			0	0			Flash Flood
------------	----	--------------------	--	--	---	---	--	--	-------------

Several county roads were flooded. Many area creeks were out of their banks. Water was over a bridge in the western part of the county, but the route name/number was undetermined.

Monroe County

Countywide	23	0035EST 0230EST			0	0			Flash Flood
------------	----	--------------------	--	--	---	---	--	--	-------------

Several county roads were closed due to high water. Water covered a bridge along highway 100. Many creeks were out of their banks.

Taylor County

Campbellsville	23	0047EST 0300EST			0	0			Flash Flood
----------------	----	--------------------	--	--	---	---	--	--	-------------

A home was flooded when a creek ran out of its banks. A few roads were closed due to high water.

Green County

Countywide	23	0209EST 0300EST			0	0			Flash Flood
------------	----	--------------------	--	--	---	---	--	--	-------------

Numerous roads in the county were flooded.

Allen County

Countywide	23	0229EST 0300EST			0	0			Flash Flood
------------	----	--------------------	--	--	---	---	--	--	-------------

A few county roads were covered with water.
